ACCU-SCOPE® microscopes are engineered to the highest quality standards. Our experience of over 50 years allows us to offer the best quality instruments at the lowest prices. Each microscope (not a sampling) is tested and inspected by our staff of trained quality control technicians to be sure they meet our exacting specifications. Our 50 year reputation is on the line every time we put our name on a microscope.

Remember, the closer you look, the better ACCU-SCOPE looks.

We reserve the right to change and improve specifications without notice usually due to technological and manufacturing advances.

WARRANTY: 5 years for manufacturing defects supplied with each microscope.
